staff lottery scheme

How it works

For just £1 per month you will be allocated with a six digit lottery number. You can purchase more than one entry if you wish. Each month the lucky winners are selected at random. The prize cheques are issued and posted directly to you, so there's no need for you to claim. Winners have to match 3, 4, 5 or all 6 digits of the winning number in the correct place in the sequence.
